It Was Bob Turley To The Rescue For The New York Yankees Yesterday

By FRED DOWN
United Press International
It was Bob Turley to the New
York Yankees' rescue in their
hour of need—just as it was last
October in the World Series.

Turley, who won two games
and saved a third in the Yankees'
great Series comeback, played
the "all American Boy" again
Tuesday night when his brilliant
relief pitching enabled the world
champions to end their five-game
losing streak with a 3-2, 10-inning
victory over the Kansas City
Athletics.

The triumph—a thriller in which
Turley struck out the side in the
last of the 10th after an opening
pop-fly double by Hector Lopez—
got the Yankees back in the win
column but was too much of a
personal victory to indicate the
champions actually have shaken
their slump. Turley, who has
scored the Yankees' only two
victories since April 22, stopped a
four-game skid April 29 but the
New Yorkers promptly lost five
more in a row.

Play Longest Game

The American League's pitcher
of the year in 1958, Turley has
only a 3-3 record this season but
the Yankees have scored a total
of four runs in his three defeats.
The Yankees' struggle to end
their astonishing slump overshadowed
the longest game of the
year so far—a 16-inning battle in
which the Milwaukee Braves beat
the Los Angeles Dodgers, 3-2, and
went back into first place in the
National League. Hank Aaron,
who's known a little World Series
glory himself, broke it up with a
400-foot double that scored Eddie
Mathews from first base four
minutes before a tie-producing
curfew was due.

The league—leading Cleveland
Indians walloped the Baltimore
Orioles, 9-1, the Detroit Tigers
downed the Boston Red Sox, 8-3,
and the Washington Senators de-
feated the Chicago White Sox, 8-3,
in the other American League
games. The Cincinnati Reds beat
the San Francisco Giants, 5-2, the
Chicago Cubs whipped the Pitts-
burgh Pirates, 6-3, and the Phila-
delphia Phillies rallied for an
8-7 victory over the St. Louis
Cardinals in the other National
League activity.

Lepio Hits Grand Slam
Aaron doubled home the tying
run for the Braves in the seventh
inning of their four-hour and 47-
minute game and Don McMahon
and Bob Rush limited the Dodgers
to only one hit for the next eight
innings before Hammerin' Hank

came through again.

Lefty Don Ferrarese pitched no-
hit ball until the seventh inning
and finished with a four-shitter for
the Indians who backed him with
a 12-hit attack.

Ted Lepio, traded by Boston
last Saturday, hit a grand-slam
hopper against his former mates
as the Tigers made it three
straight victories under new Man-
ager Jimmy Dykes and Jim Le-
mon. Bob Allison and Harmon
Killbuck paced Washington's 13-
hit attack that tagged White Sox
ace Billy Pierce with his second
defeat.

HOOKS AND ANGLERS

by JIM HARMON

The weather is quite warm and the water at Kentucky Lake is also warm with the temperature around 70 degrees at surface. The water is clear and the lake level is 338.8 after a slow drop over the past few days.

Crappie fishing seems to hold the most interest at present with not too many trying for Mr. Bass and despite reports that the Crappie aren't biting some good catches have been over the latter part of last week and the week-end. However, most of the catches were made at the end of the week after the high winds present in the earlier part of last week had died down some what.

The fishing lounge at Fisherman's One-Stop reports some Blue Gill being taken from its waters and nice size at that. Rough water and bad weather conditions doesn't seem to affect the lounge results a great deal.

The Ledger & Times Fishing Contest has a new sponsor this week. The newest sponsor of the big contest provided by the daily paper is "Lindy's" One - Stop, located at the Irvin Cobb Turn-off on high 732. As Lindy expresses it, "it's on your way to Blood River".

Readers will observe from her ad on this page that Lindy has a fine supply of tackle, live bait, fishing licenses, lunch meats, groceries, gasoline and oil, motor boat

oil notions and a whole list of other supplies.

But most important and something the fisherman will do well to remember is that fact that "Lindy's" offers "24 hour service". Just stop by at any hour at night and if the One-Stop isn't open "Lindy's" will pop right out at the first knock with cheerful service.

"Lindy's" One - Stop has entry blanks and the scales to accurately weigh your catch. She will be happy to assist you in any way that she can.

A nice three and three-quarter pound Crappie has been entered in the contest in Class A by Barney Sanders of Mayfield. The weigh in was made out at Enix's Sporting Goods on the Concord

The entry gives Mr. Sanders the lead in the Crappie Caught On Live Bait division of the Class A. Mrs. J. C. Maupin holds first place in the same division of Class B with a one pound six ounce Crappie. Both anglers are tied in the race for the Grand Prize with 35 points each. Had either of them submitted a picture of their catch they would have gained an additional 10 points.

Mr. Sanders' three and three-quarter pound Crappie is, certainly a nice catch and the men will really have to work hard to hook one that is larger.

Crappie fishing is still expected to produce some good results. The lake level is slowly rising now and many feel that the Crappie may still move in close to the bank and good fishing ensue.

Did you know that Kentucky Lake is the largest manmade lake, stretches 184 miles south with some 40 miles of the lake in Western Kentucky? It has an area of 216,000 acres or 408 square miles. It has 2200 miles of shoreline and its width varies up to 20 miles.

Kentucky Dam is the TVA's last on the Tennessee River and each year it is visited by a million or more people. It was constructed at a total cost of \$115,000,000 and is the ninth largest in the United States. Its height is 206 feet from bedrock and its length is 8,422 feet making it the nation's fourth longest. Kentucky Dam produces 160,000 kilowatts of electric power.

Dick Vinnet of 702 Vance Avenue, Paris, Illinois has taken second place in the Crappie caught on Live Bait division with a two and one-half pound catch. Mr. Vinnet catches 20 points in making his entry and trails behind Mrs. J. C. Maupin and Mr. Barney Sanders in the run for the grand prize.
